

Introduction

Join me on an amazing trip to Ireland. My niece Susan will be joining me as we visit my friends Devin and Maureen. They need my help to save their homes from the destruction of some builders who want to destroy the magic of the trees that they live in. While in Ireland, I'll also visit some of its amazing sights and do my best to help my friends. Ireland is a long way from Fairy Land but with a little magic, I can easily travel anywhere in the world. Read all about it in Teelie Turner's amazing tale Tommy Tinker and the Sacred Trees of Ireland.
